Introduction.

Harvard Legal — 20,000

A Visitation of Essex was made by Sir Edward Bysshe, Knt., Clarenceux, between the years 1664 and 1668, and a copy by John Warburton, Somerset Herald, was purchased at the Sale of the Collections of the late Stephen Tucker, Somerset Herald. As this appears to be the only transcript extant of this, the last, Visitation of Essex, it has been thought desirable to print a few numbered and signed copies for private circulation.

The transcript by Warburton is entirely in his autograph, and inside the cover of the Volume is his Armorial Bookplate shewing the Warburton Arms quarterly with those of Dutton, and thus inscribed:

"John Warburton, Esquire,
Somerset Herald at Arms and F.R.S."

The first Visitation of Essex is that of 1552; the second that of 1558; the third was made between 1570 and 1583; the fourth between 1612 and 1615; the fifth was made in 1634; all of which were published by the Harleian Society in 1878 under the editorship of Mr. W. C. Metcalfe, F.S.A.; and we now give the sixth Visitation, of which that gentleman remarks in his Preface, "Of the *sixth* Visitation, that of 1664, the original MS. is at the College of Arms, and no copy is known to exist elsewhere."

July, 1888.
